On December 3, 2009, the Office of Labor-Management Standards (OLMS) published in the *Federal Register* a notice seeking the public's comment on a proposal to delay the filing due date of all Form T-1, Trust Annual Reports, required to be filed during calendar year 2010, for one year.

The delay will allow unions to ward off expensive reporting burdens pending a rulemaking to rescind the Form T-1 regulation, which the Department announced in its Spring Regulatory Agenda.

See: <http://www.reginfo.gov/public/do/eAgendaViewRule?publd=200904&RIN=1215-AB75>

The OLMS' proposal would not affect reports due during calendar year 2011 or beyond.

The comment period on this proposal will end on December 14, 2009.

For more information, including the process to submit comments, please visit the OLMS Web site at http://www.dol.gov/olms/regs/compliance/t1_intro.htm ■
