Who is Calibre CPA Group?

Founded on a mission to **provide services of a superior calibre**, Calibre CPA Group was established by several CPAs whose careers have focused on providing a comprehensive array of audit, outsourced accounting, tax, and consulting services to small business enterprises throughout the country. We're positioned to provide personalized service to you and your closely held business.

How Can Calibre CPA Group Help Me?

Calibre CPA Group has experience in providing professional services to clients in a variety of disciplines and sizes. Our clients range from international organizations with assets in excess of billions of dollars, to small, closely held businesses and sole proprietors. Because of our broad perspective, we can offer you the understanding and knowledge that will help you meet your goals. Our professionals are highly trained and have developed an in-depth knowledge of financial, operational, and strategic planning that has furthered the success of our clients. We emphasize an imaginative and cost-sensitive approach to problem solving while placing an emphasis on practical advice and real world solutions to real world problems.

Planning is crucial to the success or failure of any enterprise and we believe it's critical to integrate our services (whether audit, accounting, tax, consulting, or technology-related) within your business plan. This requires constant communication, allowing us to learn more about your goals and to provide input into the ongoing success of your business plan.

TAX SERVICES FOR BUSINESS ENTERPRISES

Our professionals routinely engage in tax planning and return preparation for a variety of clients including individuals, estates, trusts, corporations, and partnerships. Our tax department is attuned to the needs of our clients and focused on maximizing wealth, not only through innovative tax planning, but also through counseling for overall financial success. Many of our clients rely on us to assist with succession planning, family trusts and investment partnerships, and to provide estate planning.

We offer an array of services that can help you to reduce your tax burden which can include:

- Preparing income projections
- Analyzing income alternatives to minimize taxes
- Explorations of methods to preserve exemptions and deductions
- Maximizing contributions to a retirement plan
- Protecting retirement benefits
- Balancing gains and losses
- Estate building and preservation

MANAGEMENT ADVISORY SERVICES FOR BUSINESS ENTERPRISES

In instances where we would not impair our professional independence, our team can offer a wide range of services to help you make sound business decisions. While some of our specialists can help you cope with today's changing marketplace, other professionals are trained to assist with the ever-changing technological advances

being made in the office environment. Still other staff can help you breathe easier knowing you have effectively planned for your future.

Why Should I Use Calibre CPA Group?

Because of our commitment to serve as independent auditors or in a business advisory capacity for small business enterprises, our firm's professionals have specialized their education and skills for this sector. We can offer your organization in-depth and focused services that result in real solutions to real problems.
