

Intellectual Asset Management

Value-Added Services for
Management of Intellectual Assets:
Licensing Royalty Audits
Consulting
Accounting

Who is Calibre CPA Group?

Founded on a mission to **provide services of a superior calibre**, Calibre CPA Group was established by several CPAs whose careers have focused on providing a comprehensive array of audit, accounting, tax, and consulting services to a variety of clients throughout the country. With offices in Washington, DC and Chicago, IL, our firm is staffed with 80+ professionals whose diversity of talents and expertise contribute to that mission.

Intellectual Asset Management

A recent study indicated that a majority of the value of corporations today is from intellectual property. Furthermore, companies that have a higher composition of intellectual assets are typically regarded as industry leaders. Those with a lower percentage are often viewed as underperformers, both from a financial and strategic viewpoints.

How Can Calibre CPA Group Help Me?

Whether its through our licensing royalty audits or consulting services, our objective is to review the intellectual assets and generate greater shareholder value.

LICENSING ROYALTY AUDITS

Calibre CPA Group is unique among firms that provide licensing compliance services – we have expended a tremendous amount of resources to provide value-added contract compliance services to our clients and feel we excel in this area. Here's why:

Over the years, Calibre CPA Group's professionals have provided contract compliance services to satisfied clients throughout the United States. In fact, utilizing our professional's licensing compliance experience, we've devel-

oped our Royalty Profit Maximization Strategies (RPMS) program that assists our clients with recovery of unreported or under reported royalties, re-assurance that your brand is not being abused and prevention of future abuse through training, contract review, and more. (See the specific page on royalty and license services for a greater explanation of services offered.)

Calibre CPA Group's Royalty Profit Maximization Strategies (RPMS) helps our clients with:

- Recovery of unreported or under reported income
- Reassurance their brand is not being abused
- Prevention of future abuse through training, contract review, and more
- Added shareholder value
