Who is Calibre CPA Group?

Founded on a mission to **provide services of a superior calibre**, Calibre CPA Group was established by several CPAs whose careers have focused on providing a comprehensive array of audit, accounting, tax, and consulting services. We have a fully staffed department of tax professionals who regularly provide tax planning and preparation services for a variety of organizations and individuals throughout the United States.

How Can Calibre CPA Group Help Me?

Our firm's Tax Services Group is comprised of not-for-profit (including labor organizations and employee benefit funds), corporate, partnership, and other key-sector tax professionals who know the tax code and tax laws applicable to their practice areas. Our professional staff often represent our clients before federal, state or local agencies.

Our planning services are wide ranging, from assisting a start-up enterprise with their selection of the optimum business form, to analyzing alternative employee benefit program options for tax advantages and risks at the employee and employer levels, to researching IRS private letter rulings and tax code interpretations for specific client needs. Our focus is to always encourage our clients toward active planning, based on a clear understanding their goals.
